

Deliverables

Smart BBA & other BBA/BMS/BBM

Deliverable	Smart BBA	Other BBA / BMS / BBM
Syllabus	100% All round & Business needed: We create a Complete Business Leader, with good level of skills in Finance, Marketing, International Business, General Management, HR. It is as good as Specialisation in multiple areas which are needed in business.	Visit Smart BBA NIBE College and compare Books, projects, exposure; talk with our students. You will see the difference. No other college creates students the way NIBE does.
Technology	Tomorrow's leader must be good in Technology: NIBE is only college giving indepth skills in Technology with labs over 200 computers. Contents: Tally Prime, SAP Fico, Introduction to CRM & HRM, Digital Marketing, Designing posts & advertises, High level Presentation skills, Online Businesses, Tax Portals, Introduction to AI and much more	Go to any college and ask their final year students, have they got the skills as given in NIBE? Can they prepare BS, P & L, Posts independently? Asks the students in Smart BBA NIBE College , they can.
100% Practical Skill	What can we do with only bookish knowledge?: Plenty of Projects, industry visits, LFL, Simulation methods which give fantastic practical exposure. After teaching Digital marketing we make them create posts and campaigns; after finishing accounts we make them finalise 3-4 companies; after teaching them finance we make them do financial models or project reports and so on...	Forget about BBA/BMS/BBM from regular colleges; even MBAs don't get that level of practical skills what NIBE gives in SMART BBA. When you visit NIBE , get some one who did MBA, they will tell you the difference for sure.
Exposure to Life	Leaders are not created only by Books or Skills: We give a good atmosphere along with avenues by which our students get leadership exposure through, Sports, Gathering, Social events, togetherness with Rural India, cosmopolitan crowd, Stage exposure, hosting shows, exposure to talk and interview many business leaders...	There is difference between what many talk and what they walk.. NIBE walks the talk. The quantum, depth and sincerity in exposure given at NIBE is beyond all.
Teaching	Only great Teachers can create Great Students: We	Silence is louder.

	<p>provide the best Faculty at NIBE, many Chartered Accountants, CS, LLB, Experts from Business, experts from Industry come together to create leaders of tomorrow.</p> <p>Most importantly we take maximum 40 well cultured students in a batch for personal attention and individual growth.</p>	
Life & Sanskar	<p>At NIBE, you will get confidence that your child will live an ideal Life: An atmosphere of fun with spirituality is unique at NIBE. Sports music, gatherings, treks and trips, teach them to live a happy life; while health workouts, yoga, Sacred lessons, Meditation make them an ideal person. We monitor and inspire our student to lead a life of goodness, ethics and values.</p>	Normally parents say, when they see the atmosphere in other colleges, they fear about the bad habits their child may pick up. Surely your child will enjoy in those colleges, but for sure, the enjoyment at NIBE will be much higher and PURE.
100% Success Assured	<p>The only College in INDIA that gives a 100% Job Assurance in writing. After completion of 5 semesters & an internship in the 6th semester of Smart BBA, we offer around 3 to 5 lakh starting Salary to 100% of all the job aspirants.</p> <p>We also give life time mentorship and incubation support to our Alumni for success in Startups or Family Business.</p>	?

FAQ

- 1- Why Smart BBA 's syllabus is indepth and as good as so many specialisations together?

Ans:

A business leader must understand all functions of business, only then he can be an entrepreneur or in a high Level Management Job till CEO level. In real life, can a business leader say that he doesn't know marketing... or didn't study HR or Finance?

So we suggest, do Smart BBA in all subjects needed for Business. If you want, choose your MBA in specialisation as in Smart BBA, you will be well versed with all areas of business.

- 2- We barely know the name of **NIBE College**, whereas there are other colleges with 30-40-50 year existence, huge premises, reputed name, fees up to 25 lakh to 45 lakh also, still you say that **NIBE** is the Top-most BBA college in India, How?

Ans:

You are right. Their premises, existence, name all are well known, but what you will get at end of BBA/BBM/BMS is knowledge, skills and exposure; which will be your property for next 50-60 years and that is going to give you real success.

Visit **NIBE College** and see contents of Smart BBA, check how we give personal attention, know the indepth Practical aspects of business we cover, feel the varied exposure of life we give and realise the care and love with which we create life, success and spirituality.

We challenge that no UG college in the world can create you better than the way Smart BBA can create you. We are the best because we make our students the best.

3- Going abroad for Graduation or joining a top-most brand will give us a reputed name. Can we get that through SMART BBA?

Ans:

Yes, you can. If you complete Smart BBA you will get Top level Skills, Knowledge and Exposure. You will get strength from within.

Then do your Masters from abroad or from a top-brand in India. Now you will get that “Name” too. You get another benefit; as your SMART BBA foundation is very strong, your performance in your masters will be out of the world.

You know very well, that when you get success with strength and skills, no one will ask your education. Has anyone ever bothered asking about the education of Dhirubhai Ambani, Bill Gates, Mark Zuckerberg or Narayan Murthy?

So focus on the skills and strength you will get at Smart BBA. We will do Masters from the worlds most renowned college (if you feel need).
